## BEAUTIFUL AND NEAT ROOM

MARIA PETSCHNIG

United States | 2025 | 118 min

**Kafkaesque + Inventive + Provocative**

(...)  
is a visually compelling, intellectually provocative meditation on cohabitation, creativity and survival in the modern city. It's a film that challenges perceptions, sparks reflection, and lingers long after the credits roll  
- a masterclass in how autofiction can illuminate the human psyche.
